What To Get The Person Who's Always On The Go.

A lot of people are hoping Santa surprises them with a Centel Cellular phone. Because no one knows better than the jolly old elf himself how important it is to always be in touch. Whether your travels take you around the world. Or just across town.

There's never been a better time to give a dependable car phone or portable from Centel Cellular, one of America's cellular leaders. And that should be good news to a lot of Santa's helpers.

So give us a call today. And giftwrap a Centel Cellular phone. It's just right for someone who's going places.
